Mexico

email: francisco.murillo@oxfordleadership.com

Francisco is a Senior Fellow of Oxford Leadership Academy Mexico and a Consultant certified by the Development Dimensions International.

He holds a Doctorate degree in Pedagogy and a Masters Degree in Educational Science, and Techniques as well as four bachelor degrees in Law, Education, Spanish and Mathematics. He also holds certifications in areas such as Organizational Development, Managerial Competences for Scholar Management; Educational, Managerial and Supervisory Competences; Leadership for Supervisors; Political Science and High Quality Government; Total Quality; Environmental Education; Effective Conversational Processes.

Francisco has teaching experience at the Doctorate, Master and Bachelor levels of university tuition as well as at a High School and Elementary level. He has been a Consultant for various Educational Institutions at different levels and has been a Principal and a school superintendent for different schools at the Elementary, Middle, High School, and the University Level. He was an Undersecretary at the Guanajuato State Department of Education for seven years.

At the age of 29, Francisco was the Secretary General in section 45 for the National Education Workers Union in the State of Guanajuato. Later, he became a local Congressman for Guanajuato State, having been the President of the Education Commission in the LV Legislative Body of the State of Guanajuato. He was the state's representative before the parliaments of Cuba, Costa Rica, Chile and Uruguay.

Francisco was a Federal Congressman for the LX Legislative Government, having been the President on the Educational Policies Council, for the House of Representatives. He was Mexico's Representative at the Latin-American Parliament, alongside countries such as Brazil, Cuba, Panama, Chile and Colombia.

He was also Mexico's Representative at the Bi-national Meeting of High Education between the United States and Mexico as well as President of the Friendship Group and Mexico's representative at UNESCO in the Conference of the World for a Higher Education, in Paris France.

Francisco is the author of two manuals: A Look at the Northeast and Manual for the Educational Conciliation. He is also Creator of the Theory of the Three Circles of the Being, contained in his five books: The Three Circles of the Being, Strengthening the Leader, The Total Interaction of the Couple Based on the Three Circles, The Leader who knew to Decide, and The Authority Execution.

He is the Founder and Director General of the Integral Consultancy Firm.
