

## Ken O'Donnell

Fellow of the Oxford Leadership Academy

email: [ken.odonnell@oxfordleadership.com](mailto:ken.odonnell@oxfordleadership.com)

**Ken O'Donnell is renowned throughout Latin America as a best selling author and specialist in leadership development and advanced quality management.**

From his base in Brazil he has run consulting and training programs at many large corporations and government departments at federal, state and municipal levels throughout the Americas. These include Dupont-Merck, Fiat, Mercedes-Benz, Goodyear, General Motors, Petrobras, Bank of Brazil, Central Banks of Brazil, Bolivia and Costa Rica and many others. Some of the government departments which have benefited from his advanced quality management work include the ministries of Education, Health, Social Welfare, Finance and Regional Integration in Brazil and the Ministry of Foreign Affairs in Colombia.

He has also been an official advisor to French governmental agencies such as The National Centre of Space Research in the area of Behaviour & Quality.

Australian-born he is fluent in both Spanish and Portuguese and has written ten books on personal and organisational development that have sold over 300,000 copies.

He is creator of the Self-Management and Quality of Life program that has been run successfully in 29 countries.

He successfully trained the group of internal consultants who were responsible for the SML and Strategic Focusing program within the Ministry of Education of Mexico.

He is a frequent guest speaker at congresses and symposiums throughout the Americas on themes ranging from advanced quality management, the human factor in organisational development and ethics in the workplace. He has conducted course at 20 leading universities throughout the region.

At present he is working on a project with the Brazilian Development Bank in 110 cities throughout the country.
