**EXECUTIVE PROFILE**

---

**Francisco Murillo**
**FELLOW**

---

“It came at a time in my life when I had to make drastic decisions, thank you. Now, I feel more in control about what I have to do immediately, who I have to talk with, reflect on my past and present, not react and rush, and above all define what I want to accomplish in my life.”

**Enrique Sánchez Gutiérrez**  
 Statistical Information Manager  
 IPLANEG, Mexico

---

“It is a program that guides you to identify and organise an action plan to be able to improve aspects of your personal, family, and work life you have not been able to improve.”

**Sergio Navarrete Reyes**  
 Director of Accounting and Budget  
 NACIONAL FINANCIERA, Mexico

Francisco is a Fellow of Oxford Leadership. He is a Consultant certified by Development Dimensions International. Francisco holds a Doctorate Degree in Pedagogy and a Masters Degree in Educational Science and Techniques as well as four Bachelor Degrees in Law, Education, Spanish and Mathematics. Francisco is based in Mexico.

Francisco has teaching experience at the Doctorate, Master and Bachelor levels of university tuition as well as at a high school and elementary level. He has been a Consultant for various Educational Institutions at different levels and has been a principal and a school superintendent for different schools at the elementary, middle, high school, and the university level. He was an Undersecretary at the Guanajuato State Department of Education for seven years.

At the age of 29, Francisco was the Secretary General in section 45 for the National Education Workers Union in the State of Guanajuato. Later, he became a local Congressman for Guanajuato State. He was the state’s representative before the parliaments of Cuba, Costa Rica, Chile and Uruguay. Francisco was a Federal Congressman for the LX Legislative Government, having been the President on the Educational Policies Council, for the House of Representatives. He was Mexico’s Representative at the Latin American Parliament, alongside countries such as Brazil, Cuba, Panama, Chile and Colombia.

He was also Mexico’s Representative at the Bi-national Meeting of High Education between the United States and Mexico as well as President of the Friendship Group and Mexico’s representative at UNESCO in the Conference of the World for a Higher Education in Paris, France.

Francisco is the author of two manuals: A Look at the Northeast and Manual for the Educational Conciliation. He is also Creator of the Theory of the Three Circles of the Being, contained in his five books: The Three Circles of the Being, Strengthening the Leader, The Total Interaction of the Couple Based on the Three Circles, The Leader who knew to Decide, and The Authority Execution. He is the Founder and Director General of the Integral Consultancy Firm.

**Francisco works in Spanish.**
