"I will start by saying thanks a lot for an inspiring journey. This was truly a gift from the company. My personal experience was very positive. It was great to take time to reflect in beautiful Spanish nature. I discovered some insights I was not aware of. Useful both in my personal life as well as my professional life! It was with great respect I experienced my colleague's openness. Rediscovered own successes in leadership, for my own organisation, and our customers. Creating trust! Showing respect, gaining respect!"
