
EXECUTIVE PROFILE

Ken O'Donnell

FELLOW

“Unique opportunity to deepen your self-knowledge and to project a vision for the future in which we are better, and in which we dedicate more energy to the company.”

Juan Luiz Berrocal Martinez
Director
Telefónica, Brazil

“Ken and the Program helped me stop and think about what is important. What is standing in the way of me getting to my true purpose. He was very caring and genuine in his pursuit of helping people to be more peaceful and happy.”

Jay Rogers
VP of Recruiting
Vedior, USA

Ken is a Fellow of Oxford Leadership. His client list includes Dupont-Merck, Fiat, Mercedes Benz, Goodyear, General Motors, Petrobras, Bank of Brazil, Central Banks of Brazil, Bolivia and Costa Rica. Ken is renowned throughout Latin America as a best selling author and Specialist in Leadership Development and Advanced Quality Management. Ken is based in Brazil.

From his base in Brazil, Ken has run consulting and training programmes at many large corporations and government departments at federal, state and municipal levels throughout the Americas. He has also been an Official Advisor to French Governmental Agencies such as The National Centre of Space Research in the area of Behaviour & Quality.

Some of the government departments which have benefited from his Advanced Quality Management work include the ministries of Education, Health, Social Welfare, Finance and Regional Integration in Brazil and the Ministry of Foreign Affairs in Colombia.

Australian born, Ken is fluent in both Spanish and Portuguese and has written ten books on personal and organisational development that have sold over 300,000 copies. He is creator of the Self Management and Quality of Life programme that has been run successfully in 29 countries.

Ken successfully trained the group of internal consultants who were responsible for the Self Managing Leadership® and Strategic Focusing® programme within the Ministry of Education of Mexico.

He is a frequent guest speaker at congresses and symposiums throughout the Americas on themes ranging from advanced quality management, the human factor in organisational development and ethics in the workplace.

Ken has conducted courses at 20 leading universities throughout the region. At present he is working on a project with the Brazilian Development Bank in 110 cities throughout the country.

Ken works in English, Portuguese and Spanish.
